Ref:-G.O.Ms.No.1281 Rev. Dept Dated 12-5-49 and Government Memo. 31681/G/49-2 dated 31-5-49.

In their orders cited above the Government were pleased to sanction the retention of the temporary staff mentioned in the enclosed statement up to 31-3-50 to cope with the increased work caused on account of the several measures taken as a result of the last world war and other schemes of industrial and agricultural improvements. The Circumstances under which the additional staff as shown in enclosure was employed still persist and there has not been any reduction in the volume of work both in the Collector's Office and in all the Taluk and sub Taluk Offices. The additional work created by the reintroduction of intensive procurement and informal rationing and other schemes and measures introduced to implement the policy of national development and the increase in the darkhast work owing to the lifting of the ban on assignment justify the retention of the additional staff for another year. I, therefore request that early sanction may kindly be obtained for its retention beyond 31-3-50 for one year.

A statement showing the statistics of work done by the additional staff is enclosed.

Copy of letter, Ref.A1/31152/49 dated 14-3-1950 from the Collector of South Kanara, addressed to the Secretary, Board of Revenue, Madras.

Sub: As above.
Ref: Board's Ref.C.No.W.1767/50-1 dated 7-3-1950.

In para 5 of its reference cited the Board has called for a special report furnishing full particulars justifying the retention of the Additional Huzur Head Clerk in this office and also the Headquarters Deputy Tahsildars in the six taluk offices of this district.

Additional Huzur Head Clerk, Collector's Office:- The Additional Huzur Head Clerk is in charge of a separate section consisting of four Lower Division clerks and one Upper Division Accountant attending to audit of bonus payment and one clerk of the Procurement section attending to Accountant General's objections relating to bonus vouchers. The ost of Additional Huzur Head Clerk was sanctioned to cope with the dditional work created on account of thewar. A statement showing the items of work dealt with by the Additional Huzur Head Clerk, the Huzur Head Clerk and the Huzur Sheristedar in this office is enclosed. Work connected with distribution of sugar and kerosene, the drug control

drug control Act... prosecutions for violating the procurement and other control orders, rectification of the accounts of bonus disbursements which is in arrears, working of the rice mills licensing order, passing bills, etc. other work relating to the Civil Supplies Transport Unit, working of the Steel and Iron and Cement Control Orders, issue of rations to islanders during the lean season in exchange for coir etc., are few of the various items that keeps the Additional Huzur Head Clerk busy from morning till night. The items of work attended to in this section have to be attended with promptitude and need greater scrutiny. It may thus be seen that the work turned out in this section is so enormous that it needs a section head exclusively to attend to the work now attended to in the Additional Huzur Head Clerk's section. The reintroduction of certain controls, the work connected with Rural Development, Minor irrigation, Election, assignment of lands to political sufferers, administration of evacuee ordinance, rehabilitating displaced persons, census, the various new legislative bills, removal of the ban on assignment of lands etc., have imposed additional strain on the alreddy overworked general branches of the Collector's Office. Retrenchment of the post of Additional Huzur Head Clerk by redistribution of the work now dealt with in the Additional Huzur Head Clerk's section is thus not possible and will very seriously hamper day to day work with serious results, till the work goes back to normal. The question of retrenching this post was closely examined by the Board which in its Ref.Dis. F.II-049605/49-5 (CS) dated 4-2-1950 held that no retrenchment was possible in this district. In these circumstances, I strongly urge the continuance of the post of Additional Huzur Head Clerk for the year 1950-51.

Headquarters Deputy Tahsildars in the Taluk Offices:- Similarly it is not possible to abolish the posts of the 6 Headquarters Deputy Tahsildars in taluk offices of this district. The work in all the taluk offices has increased enormously from the time of the pre-war period. It will not be possible for the Tahsildars to discharge their responsibilities for the entire scheme of procurement and distribution in their respective taluks if a Headquarters Deputy Tahsildar who could actively assist him in office work is denied to them. In this connection it may be observed that touring is difficult in this district on account of its special conditions. Tahsildars now a days have generally to be moving about in the taluks to keep pace with the enquiries demanded by urgent and important papers. They find very little time for the routine work in the taluk offices such as encroachments, darkhasts, forest offences, textile control revenue records and registration etc. in addition to supervision work of the whole office and. The work of distribution of cement, sugar, kerosene etc., are items which cannot wait for the Tahsildar who is generally out on other work and the public needs will be greatly met when a responsible person like Head Quarters Deputy Tahsildar could attend to these matters on the spot. The question of retrenching these posts was closely examined by the Board which in its Ref. Dis. F.II 049606/49-5 (CS) dated 4-2-1950 held that no retrenchment of these posts could be made in this district i.e., Headquarters Deputy Tahsildar in each of the taluk offices is quite essential. I therefore recommend that the posts of all the six Headquarters Deputy Tahsildars in this district may be allowed to continue in the year 1950-51.

2. While submitting my retrenchment proposals in this office D.Dis. 4723/50 dated 11-3-1950 in reply to Board's reference 9785/49 dated 24-2 I reluctantly suggested that the posts of Headquarters Deputy Tahsildars at Coondapur and Karkal might be retrenched subject to certain conditions. But on further consideration I find that it is not possible for the Tahsildars at Coondapur and Karkal to carry on without the assistance of Headquarters Deputy Tahsildars till the existing condition improves and till the work comes to pre-war level. But in view of the fact that the Board was pleased to give orders to retrench even at the cost of some efficiency I made those proposals so that it may be tried for some time in two taluks (Coondapur and Karkal).

3. The statistics of work in the Additional Huzur Head Clerk's branch

branch of this office and in the taluk offices have already been furnished with this office Ref.No.A.1/31152/49 dated 21-2-1950.
